

# The Macquarie Memo

Issue 32: 12 November 2020

## From our Principal

Dear Families and Friends,

Happy NAIDOC week! We have been celebrating through learning how to weave, reading books, our static display and part of this week's assembly being focused on this important part of the year. You may not be aware that each Monday at morning lines one of our senior students shares their personally composed Acknowledgement of Country. These were developed after Bush Tucker students inquired into the significance of Country, and how we can acknowledge First Nations Peoples contributions to, on and for our land.

We are trialling students being able to access the basketball court during recess and lunch now that the rings have been refurbished and put back up. It is nice to be able to use that space more frequently. The warmer, wetter weather is making keeping up with the grounds challenging. Thanks to the people who have let us know where needs mowing – we are working hard to get on top of it!

We have recently had the school tested for lead paint and the results indicate there is the presence of lead paint in areas of the school. The testing has not indicated that any areas need to be cordoned off and we are working with the repairs and maintenance section of the Directorate to remediate identified areas. We will provide further information as we have notice of any works.

This week teachers have been busy starting to write the end of year reports. It has been a busy second semester, with lots of learning and growth to report on. Your child's reports will be emailed to your family's nominated preferred contact on Thursday 10 December for students in years K-6 and sent home on Wednesday 9 and Thursday 10 December for preschool students.

We have just about finished creating classes for 2021. As always, this process takes time while we consider both the academic and social needs of all students. We will maintain our multi-age structure for students in years 1-6. I am pleased to let you know that staff will be teaching in the following areas next year:

Preschool	Maree Sweeting
Kindergarten	Rebekah Graham and Reannon Sorbie
Year 1/2	Lauren Green, Nicole Chapman, MaryAnn Cremen, Monique Daragh and Ami Grover
Year 3/4	Rebecca Spoors, Meg Signor, Chlo Sutherland and Brooke Brown
Year 5/6	Melanie Pollack, Emma Murphy, Patrick Kien and Ross Dennis
Specialist Roles	Lynda Leigh, Ross Dennis, Cynan Brace, Shirley Larsen, Kathy Jones, and Ami Grover

If you have any questions please don't hesitate to get in touch through our usual communication channels.

Have a great week,

Danielle

# NEWS FROM THE P&C

## FROM THE PRESIDENT

### *Thanks to Bunnings, Belconnen Fresh Foods Markets and our bakers*

The P&C Committee has sent certificates to both Bunnings in Belconnen and to the Belconnen Fresh Food markets for their generous support in allowing us to run a sausage sizzle and bake sale. It's so great to have the support of these local businesses.

I'd also like to again thank our bakers, cooks and the crews that ran the stalls. You are all heroes.

### **Slower Streets**

I'm pleased to announce that the P&C has now been approved to participate in the Territory's 'Slower Streets' Program. This will give us a chance to signpost areas around the school urging drivers to slow down.

I will be collecting signs this Thursday and invite people to discuss where they would be best placed. If you are interested in participating, please drop me an email at [president.mpspandc@gmail.com](mailto:president.mpspandc@gmail.com)

### **Container recycling**

Another great effort by the community in recycling this week. We have now returned 1603 cans, bottles and other drink containers. Golden Wattles are holding their lead with 551, but Winter Cress are hot on their heels with 497.

Just two more recycling days left this year. The next container recycling date is **Friday, 20 November**. See our flyer for how to participate.

Whoever wins the pizza party will certainly deserve it.

Have a great week

## GIVING TREE DONATIONS—CAPITAL REGION COMMUNITY SERVICES (CRCS)

The school SRC are supporting the *CRCS Belconnen Christmas Giving Tree* and are asking our school community to generously donate items to help make the holiday season a little brighter for those less fortunate in our Belconnen community. Gifts and items should be new, in sealed packaging and unwrapped. CRCS have recommended gifts of \$10- \$15 in value.

Suggestions include: toys, games, vouchers, toiletries, books, puzzles, delicious Christmas treats, sports equipment, homewares, stationery gift packs, personal care gift packs and/or stocking fillers. Donations can be dropped off to your child's classroom or directly to the Front Office before Monday 30 November.

Bill Caddey from CRCS has prepared a video about the Belconnen Christmas Giving Tree

Thank you for supporting those in our local community who will do it tough this Christmas.

## PERSONAL DEVELOPMENT TOPICS THIS WEEK

Preschool— This week, students will be investigating the question What is consent? After reading the story “Will Ladybug Hug?” We will discuss the importance of asking a person before we enter their personal space and touch them (e.g to give a hug, to play with their hair) and when we would like to touch or hold something that is not our own, like a toy. We will also role model situations to look at the way people use body language to tell people if they like or dislike a situation

Kindergarten—This week, the Acacias will be talking about consent by investigating the question: What does consent mean and why is it important? We will be thinkers who make connections as we explore the big idea that our bodies belong to us and we need to ask before we enter other people's personal bubbles.

Year 1/2— During week 5, students will be inquiring into the questions: What is gender? What is transgender? How do you know what gender you are? And, how can I help others feel accepted and happy?

Year 3/4—During Week 5, Year 3/4 will be focusing on developing strategies to assist in the coping with changes in the body.

Year 5/6—During Week 5, Year 5/6 will be exploring the topic of gender and discussing gender identities, norms and stereotypes. Students will be encouraged to question their thinking around this topic and detect and challenge the limiting nature of many traditional gender-norms.

### SUSTAINABILITY TIPS

**Are you making common recycling mistakes?** Upgrade your lights. Light emitting diodes (LEDs) and compact fluorescent lamps (CLFs) will cost you far less than halogen and other incandescent lights. Energy-efficient CLFs can also last up to ten times longer than traditional ones. The light from these bulbs will give off light as bright as your old bulbs while saving money.
