Dear Families

Each year the Macquarie Primary School Board invites families to make a voluntary financial contribution to the school. The money raised through voluntary contributions is an important way that families can enhance the education program of the school. During 2020 the focus areas for the school are enhancing indoor facilities and classroom resources.

The School Board has considered the amount for 2020 and recommends that it remains unchanged at \$100 per family per year. Lesser amounts are welcome if you prefer. The board is keenly aware that many families have been impacted financially as a result of COVID-19 and want to emphasise that the contributions are completely voluntary.

You child will not be refused benefits or services if you choose not to make a financial contribution. Individual records of contributions are confidential, as specified in the *Education Act 2004*.

If you would like to make a voluntary contribution to the school, please see below for methods of payment.
