Third Party Provider Consent Form – Class Dojo

Dear Families

Macquarie Primary School is committed to providing a technology rich environment for our students as our community believes the use of Information and Communication Technology (ICT) is fundamental in assisting teaching and learning in all areas of the school curriculum.

The use of web based learning resources and cloud based storage has risen steadily over the last decade and are increasingly being used by teachers across the Education Directorate to improve student learning outcomes.

ClassDojo is a school communication platform that teachers, students, and families use every day to build communities by sharing what's being learned in the classroom through photos, videos, and messages. The site has been identified as being a useful component in the teaching programs at Macquarie Primary.

As our school wishes to register with Class Dojo, a web based service provider that requires some personal information, I am obliged under *the Information Privacy Act 2014* to advise you of the reasons for collecting the information, what will be done with it, the consequence of not collecting it and who else may have access to it.

If you fill in this form, we will use the information provided to observe your wishes in respect of enabling your child/children to access Class Dojo. To assist you in deciding whether to give consent, listed below is a description of the type of service together with the website address and a link to Class Dojo's privacy policy and terms and conditions of use. You are not required to consent – this is a matter entirely at your discretion.

If you do not consent to supply us with this information your family will not use these sites.

Normally we will not use or disclose this information for another purpose, without your consent, unless you reasonably expect us to use or disclose the information for a related purpose.
