From our Principal

Dear Families and Friends,

LOVE OF READING

What a wonderful morning of shared reading we hosted last Wednesday. It was a hive of connectedness and joy. I hope you saw some of the photos we were able to share on our Facebook page.

REPORTING PROCESSES

Teachers have begun writing end of semester reports. This is the last Semester we will be using our current report template. We will have transitioned over to a new whole of system template for Semester two. Staff are working to ensure that learning experiences from this Semester are captured accurately by our current reports and that the move to a whole of system report doesn't miss any of students learning gains.

ENROLMENT PERIODS

I would like to remind families of students in year 6 that high school enrolment processes are underway. Our students have recently had a high school experience at our local high school, Canberra High and many of the high schools have held information evenings. Please ensure you have applied for enrolment to high school to support the receiving school forward plan. Knowing where your child is attending next year also supports us in transition planning.

Preschool enrolments have also opened. If you have a child who will turn 4 by 30 April 2020 your child is eligible for a year of preschool education. Please complete the online enrolment application to secure a place in a preschool program within the ACT.

You can enrol at: <https://www.education.act.gov.au/> and click the enrolment tab.

END OF TERM INTERVIEWS

During the last week of this term there is an opportunity to meet with your child's teacher to discuss his or her learning progress this semester. Please keep an eye out for the PTO information to book a timeslot.

Have a great week.
