Third Party Provider Consent Form – Language Perfect

Year 3-6 students: French Program

Dear Families

Next term, students in years 3-6 will begin learning French at Macquarie Primary School. French is one of the Australian Curriculum languages endorsed by ACARA.

Macquarie Primary School is committed to providing a technology rich environment for our students as our community believes the use of Information and Communication Technology (ICT) is fundamental in assisting teaching and learning in all areas of the school curriculum.

Language Perfect is an online language learning program that assists students to learn vocabulary through structured lessons covering vocabulary acquisition, listening, reading and writing comprehension in French. Macquarie Primary School has secured a free trial for the rest of the year, once students are registered they will receive their usernames and passwords. Language Perfect can be customised to suit each class and can be accessed at anytime, anywhere. Applications are available for iOS and Android touch devices.

As our school wishes to register with Language Perfect, a web-based service provider that requires some personal information, I am obliged under *the Information Privacy Act 2014* to advise you of the reasons for collecting the information, what will be done with it, the consequence of not collecting it and who else may have access to it.

If you fill in this form, we will use the information provided to observe your wishes in respect of enabling your child/children to access Language Perfect. To assist you in deciding whether to give consent, listed below is a description of the type of service together with the website address and a link to Language Perfect's privacy policy and terms and conditions of use. You are not required to consent – this is a matter entirely at your discretion.

If you do not consent to supply us with this information your child/children will not use the online language learning program.

Normally we will not use or disclose this information for another purpose, without your consent, unless you reasonably expect us to use or disclose the information for a related purpose.

The Education Directorate has a privacy policy that explains how we handle personal information, including how we handle privacy complaints. The policy is available on the Education Directorate's website, www.education.act.gov.au, on the [Publications and Policies](#) page.
