### Social Media and Website permission

Dear Families,

Our school has an active Facebook page, class dojo and website. These are regularly used to communicate with the community. We are seeking your permission to post photographs and videos of your child on these platforms. The consents for these will continue for your child's time or until you notify us otherwise in writing, at Macquarie Primary School.

By signing this form you consent to Macquarie Primary School using, storing and publishing images, photographs and/or videos of your child in any of its publication materials (including written, electronic, multimedia) for distribution, in print, on Macquarie Primary School website, class dojo and/or social media channels for educational, promotional or reporting purposes.

For privacy and protection, we do not put names of children on images, unless further permissions are sought. On rare occasions and with parental permission, students may be named.

When giving your permission you should be aware that any information published on the Internet is accessible to users from all over the world, that it will be indexed by search engines and that it may be copied and used by any web user. Once published on the Internet we have no control over its subsequent use and disclosure.
