Dear Families

Each year families are invited to make a financial contribution to the school. In the past this has only been offered by way of voluntary contributions. A Library Trust Fund has now been established as a way of offering families a tax-effective way of making contributions. More details about voluntary contributions and the Library Trust Fund can be found in the fact sheets recently circulated in the school newsletter and published on the school website. Hard copies of the fact sheets are available at the school office.

### ***Voluntary contributions***

Voluntary contributions are a valuable way that families can enhance the education program of the school. The money raised from voluntary contributions during 2021 will continue to be used to enhance indoor facilities and classroom resources.

### ***Library Trust Fund - tax-deductible donation***

All contributions to the Library Trust Fund are tax-deductible and are carefully monitored by the Australian Taxation Office with funds exclusively used for improvements to the Macquarie Primary School library resources and environment.

The Macquarie Primary School Board invites families to contribute with either a voluntary contribution or a tax-deductible donation to the Library Trust Fund or a combination of the two.

The Board has considered the amount for 2021 and recommends that it remains unchanged at \$100 per family per year. Lesser or greater amounts are welcome if you prefer. All contributions are completely voluntary, and your child will not be refused benefits or services if you choose not to make a financial contribution. Individual records of contributions are confidential, as specified in the *Education Act 2004*.

If you would like to make a financial contribution to the school, please see over for methods of payment. If you are interested in other ways you can contribute to the school, please see the Fact Sheets available at the front office or on the school website, or speak to your class teacher or the front office team.
