

# The Macquarie Memo

Issue 21: 22 July 2021

## From our Deputy Principal

It has been a chilly start to week 2 – let's hope for some warmer weather soon. This week you will receive a term overview for each of your children. The term overview gives information about what students will be learning this term and some important dates and reminders. It's well worth a read and may help you support your child to make authentic links to learning that is happening here at school while you are at home or out and about.

Years 3-6 began learning some tennis skills this week as part of their movement program. Teachers will work with external tennis coaches to facilitate this program. Maybe there is a future Ash Barty and Roger Federer in our student population.

A reminder that next week is the year 6 combined band on Wednesday. Don't forget to bring instruments on that day as it's not a regular band day. The combined band will be hosted by our band right here at school.

Also next week is the annual athletics carnival on Friday. Students can wear their house colours on the day. Be sure to pack plenty of water and food on Friday as there will be lots of activity (weather permitting).

Belconnen Gardening Club have offered to donate four trees to create a windbreak on the west side of our garden. We will be planting them in the spring. A huge thank you to them for their generosity and support.

We've had two Community Choir mornings this term and everyone I've spoken to who has attended have highly enjoyed the experience. Please come along and join us for some morning singing – each Tuesday in the large room near the library at 8.30am.

In August you will receive the annual School Satisfaction and Climate Survey link. This is very important data for us and we hope that all parents provide their feedback so we can ensure the school is continually improving. You will receive a link for each child you have in an ACT public school. Now is the time to let us know if you have any questions about your child's education and how the school runs. Please don't hesitate to contact Danielle or I if you would like this information in preparation for filling in the survey. Another source of information is the school website.

Are you ready for the annual Macquarie Primary readathon? The Macquarie P&C are holding a readathon where every child reads as many books as they can (especially good fit books), and asks their family and friends to sponsor them - either per book read, or a set amount. The readathon will be held from 1 August to the 22 August, with prizes being awarded at the book week parade 27 August. All sponsorship money will be used to improve the school. There is a prize for the child who reads the most books in each year, and an overall prize for the child who reads the most books. Sponsorship and reading lists will be handed out soon.

Our next P&C meeting will be held on Wednesday 28 July at 6.30pm in the staff room. Everyone welcome.

**Class Parent Rep:** We still require a class parent representative for the Les Fruit de Dragon. It only takes a few minutes of your time once every couple of weeks if you are able to help. Please send an email to: [classparentrepsmps@gmail.com](mailto:classparentrepsmps@gmail.com)

## PERSONAL DEVELOPMENT TOPICS

Les Agrumes—We will be investigating 'How do our bodies change over time?' We looked at this concept earlier in the year, and will connect to our learning from earlier in the year and expand upon it by looking closer at all the ways our bodies change. We will be thinkers and investigate how using timelines and charts can help us organise our thinking.

Les Fruits Tropicaux— Next week we will be investigating how our bodies change and grow over time.

Les Baies— We will be exploring the topic of gender and discussing gender identities, norms and stereotypes. Students will be encouraged to question their thinking around this topic and detect and challenge the limiting nature of many traditional gender-norms.

## LIBRARY NEWS

Thank you for continuing to send back books borrowed before the holidays. Overdue notes will be printed next week, and as usual I'm keen to see books returned before the notes are printed to save paper.
