From our Principal

Dear Families and Friends,

I hope you survived the 'arctic blast' this weekend. It was certainly nice to see the photos of all the snow surrounding Canberra. Not so great if you were standing on sidelines. The increased cold is a reminder that it is very important that children have appropriate clothing for school each day. We usually access the outdoor learning space, so a sunsmart hat is a necessity and with the ongoing cold weather a jumper and jacket is recommended.

The annual School Satisfaction Survey opens this week. I strongly encourage everyone to complete the survey. It gives both the school and the ACT education system good information about how effective we are being. The survey asks a variety of questions about all aspects of school and schooling and supports the leadership team and the Board to set directions and identify priorities for the coming year. Look out in your inbox or child's bag for the survey this week.

This week is both Winter Walk to School Week and Science Week. We are encouraging families to walk to school, or even part of the way. Classes will be sharing their Science investigations at this week's assembly on Wednesday. I hope to see many of you there.

Last Friday our Limelight Choir had a very successful rehearsal over at Canberra's newest school, Margaret Hendry. The students enjoyed being part of a large choir and engaged with students from many other northside schools.

Have a great week.

LIBRARY

READING IS MY SECRET POWER!

Reading is free. How powerful is the word 'free'? Books can be accessed online and in print for free from libraries. Reading can be as entertaining as a night out at the movies and the ACT even has free community reading events.

BOOK WEEK – READING IS MY SECRET POWER

Book Week is next week! We are getting excited, planning lots of activities through the week to celebrate children's books and reading. I know lots of students have already organised a costume for our parade on Friday, 23 August - we can't wait to see what book characters will be turning up to school that day. We have planned a lovely family celebration on Monday to kickstart the week (see details elsewhere in this newsletter) and we will have lunchtime activities in the library all week.

WHAT IS POSITIVE BEHAVIOUR FOR LEARNING?

Positive Behaviour for Learning (PBL) is an evidence based, whole school approach for creating safe, supportive school environments. Positive Behaviour for Learning is created through:

- ⇒ Leadership and school-wide support;
- ⇒ Common language, vision and experience;
- ⇒ Clarifying expected behaviours;
- ⇒ Teaching and practising expected behaviours;
- ⇒ Encouraging expected behaviours;
- ⇒ Discouraging problem behaviours; and
- ⇒ Ongoing monitoring of data.

THE 2019 SCHOOL SATISFACTION

Surveys will be conducted this term

Parents and carers, school staff and students (in years 4—6) will be asked to participate in these important surveys. The survey results will contribute to school research and improvement processes.

Although the survey is voluntary, we hope you will want to participate. It won't take much of your time and will help us improve our school for your child and future students. A letter or email about the parent and carer survey will be sent to you this month. [The key ACT results from the 2018 School Satisfaction Surveys have been published on the Education Directorate website \(www.education.act.gov.au\)](http://www.education.act.gov.au) and a summary of our school results is provided in our 2018 School Board Report.

WONDERBOOK STORY TIME

In week 5 it is Book Week. To begin our week of activities, Wonderbook Story Time will be held in the library. We invite parents, carers, grandparents, grandfriends, aunts, uncles and neighbours as well as students from preschool — year 6 and their siblings. Bring along a favourite book or grab one from our amazing library, then snuggle up and read to your child. If you prefer to listen, there will also be teachers reading books too. So why not come along, share some great stories and grab a free croissant, tea, coffee or milo.

Date: Monday, 19 August

Venue: Macquarie Library

What to bring: A book & a reusable mug for tea, coffee or milo

Please note, as this is a before school activity, a responsible adult will need to remain with your child whilst in the library.

For more information, please contact the school or Monique Darragh monique.darragh@ed.act.edu.au
