## From our Principal

Dear Families and Friends

We had a lovely pyjama day last Friday (and Monday this week for the Snuggle Pots). We raised over \$550 for the Cobargo Bushfire Relief Centre and collected lots of garden tools to support families in their garden rebuild. It is wonderful to see our community giving to others, especially in these difficult times.

Last week at the Board meeting, how we maintain high levels of communication during times when we have less face to face access was raised. If you have a suggestion about how we can communicate better, more efficiently and/or effectively please let us know through email ([Danielle.porter@ed.act.edu.au](mailto:Danielle.porter@ed.act.edu.au)) or phone on 61421550. Also note that the 2019 Annual School Board Report is now available on the school website.

Hats are back on! It is so important in Canberra with our high UV levels that children have a sunsmart hat to wear every day at school. It is a necessary part of the school uniform. If your child does not have a hat for school they will have to remain in the sheltered areas of the playground and won't be able to play freely. Please leave caps for the weekends, as they don't provide adequate sun protection.

Winter Walk to School Week 10-14 August (week 4) aims to encourage students to walk, ride, skate, or scoot to school even in the colder months. During winter in Canberra it can be hard to stay motivated and to get the recommended 60 minutes of physical activity that children need every day. Many schools have implemented new pick up and drop off procedures in line with physical distancing measures that may mean increased congestion in carparks. Encouraging students and their families to ride or walk to school to avoid congestion is just another good reason to travel to school this way. Teachers will meet students at Cook and Macquarie shops to accompany them to school on Friday 14 August at 8:30am.

Due to ongoing COVID-19 restrictions our water fountains are closed. It is essential that every child has a drink bottle at school each day to enable them to have adequate water. Please make sure your child has access to a water bottle. Given the situation in other jurisdictions the ACT Education Directorate is maintaining school restrictions at level 2.2 of the roadmap. Each family was emailed an updated copy in the first week of term and updates are available to look at on our school website homepage. At the moment we are limiting the numbers of adults within the school grounds, and if you come into the building we will require you to sign in so we have a record of who was here in the event that information becomes necessary.

Have a great week,

Danielle

## SCHOOL SATISFACTION SURVEY

As part of our continuous effort to improve ACT schools, each year the Education Directorate invites all parents, school staff and students in Years 4 to 12 to give feedback through the **School Satisfaction & Climate Survey**. The survey opens on Monday 10 August and closes Monday 31 August. Your responses will help our school to identify what it does well and how it can improve. The data will also be used to underpin school improvement practices and inform government priorities, as well as in research projects and longitudinal studies aimed at improving the quality of education services in the ACT.

Keep an eye out for the survey invitation, including a unique survey link, which will be emailed to all parents before the survey opens on **Monday 10 August**.

# NEWS FROM THE P&C

## NEWS FROM THE P&C—WEEK 3

*Did you know ...* that around 20% of the Australian population is enrolled in some form of education at any one time?

### FROM THE PRESIDENT

Dear Community,

I'm sure that we all hoped that life and school activities would have returned to normal by now. However, Covid-19 continues to frustrate us all.

I regret to advise, in order to keep us all safe and at the recommendation of the Education Directorate, the following activities will no longer go ahead:

Term 3 Disco

Election Day Cake Stall and Sausage Sizzle

P&C school grounds working bee.

We also lost the Bunnings Sausage Sizzle scheduled for 25 July. However, Bunnings was kind enough to give the school \$500 worth of gift cards and promises that Macquarie Primary School will be first in line once they bring their sausage sizzles back.

Given the restrictions on in-person meetings and discussions, I would like to invite each parent/carer and members of the community to join me for online discussions via Microsoft Teams and/or Zoom. Subject to interest, I intend to hold online meetings with interested individuals and small groups to find out what people in the community would like to see happen in the final months of this year. If you are interested please email me at [president.mpspandc@gmail.com](mailto:president.mpspandc@gmail.com) or text me on 0423 069 625.

I hope to hear from you soon.

Brendan Ding

President

### P&C UNIFORM SHOP

The P&C Uniform Shop is open on Mondays and Fridays 8:45-9:15, and Wednesdays 3:00-3:30. Donations of pre-loved uniform items are gladly accepted. Donations may be left at the Uniform Shop during open times, or at the Front Office.

Purchases can be made in the shop during opening times, online via [flexischools.com.au](http://flexischools.com.au), or place cash and order form (available in the front office) in the P&C mailbox at the office. Orders placed via [flexischools.com.au](http://flexischools.com.au) or with cash and an order form will be sent home with students.

### VOLUNTEERS NEEDED

A big shout out to our wonderful parents/carers. Your P&C need volunteers for these events/opportunities:

#### Canteen Coordinator

Due to unforeseen circumstances, our Canteen Coordinator has had to leave the role unexpectedly. As a result, the P&C are looking for a new Canteen Coordinator.

The Canteen Coordinator works with the team at Healthy Kids (our canteen service provider) and the School, manages a volunteer roster and reports on canteen activities and priorities at P&C meetings. The role doesn't take up a great deal of time and is a fantastic way to support your School community.

If you think that this position could be for you or you want to find out more, please get in touch at MPS [mpspandcvc@gmail.com](mailto:mpspandcvc@gmail.com)

#### Friday canteen service

Can you spare an hour on a Friday? To keep the canteen going and reduce the load on our regular volunteers, the P&C are seeking volunteers to assist the Friday Canteen Service. Even if you can only volunteer on one occasion during term 3, it would be a big help. Canteen volunteers give one hour of their time from 12-1pm on a Friday.

If you can assist, please email us at [canteen.mpspandc@gmail.com](mailto:canteen.mpspandc@gmail.com) for more information.

**continued...**

# Help us make a children's book about bushfire smoke

Researchers at the Australian National University are looking into how we can communicate difficult topics like the health effects of bushfire smoke to children.

We're developing a children's story book this year (2020) and want input from parents/carers and educators of children aged 6-12 years whose primary language is English, Turkish, Arabic or Persian. Short (15 min) interviews will be conducted in Canberra and an interpreter can be provided upon request.

Want to participate? For more information, go to <https://tinyurl.com/bushfire-book>
