

From our Deputy Principal

One of the top priorities for us at MPS is maintaining high levels of communication with you, your child's first and most important influences and teachers. There is a wide range of ways we communicate formally and informally across the year. These include but are not limited to:

Informal communication

- Conversations at the start and end of the day as needed
- Phone calls and emails to share information
- Social media communication via Facebook and Class Dojo
- Weekly newsletters
- School website
- Art Showcase in term 4

Formal communication

- Getting to know you interviews in term 1
- Midyear parent teacher interviews at the end of term 2
- Semester one and two academic reports
- Learning Journey in term 3 – an opportunity for your child to lead you through a journey.

We value open and honest communication and invite you to email any member of staff at any time to discuss your child, or to arrange a time for more in-depth conversations.

We are currently reviewing some aspects of the formal kindergarten to year 6 semester one and two academic reports. Many parts of the reporting template are set by the ACT Education Directorate to ensure consistency across all schools in the ACT but some elements can be adjusted to suit our community. We value community input as part of this process and would appreciate you completing this short 5 question survey <https://docs.google.com/forms/d/1cp1g3o-VsM5NZqphIH7iUpQhgyUsiBHV-c3qcOk8yhC/edit> before Friday 8 April. This feedback will be used to finalise the semester one report template for 2022.

Tomorrow is National Walk or Ride to School Day. We encourage students to get active in the morning as their means of getting to school. Not only is it great exercise, it also supports students to be learning ready when school starts. There will be staff at two locations to create walking buses. These are

- Cook shops – at 8.40am
- Macquarie shops – at 8.40am

Have a great week.

Stacey

Holiday Borrowing

Next week (Week 9) we will be encouraging students to return any books they have finished with so they will be able to borrow new books for the holidays. **The library will be closed in Week 10 for some building and resource maintenance**, so overdue notes will be sent home this week to remind students to look for missing books.

SCHOOL SPORT ACT SCHOLARSHIP FUND

School Sport ACT has launched the SSACT Scholarship Fund. The School Sport ACT Scholarship Fund aims to:

- Provide assistance to families who may choose not to have their child trial for selection or accept the selection of their child to an ACT representative team, as they are unable to meet the financial requirements of competing
- The Scholarship Fund is open to applications from students travelling interstate to attend a School Sport Australia Championship. Students attending an ACT hosted Championship are not eligible
- To be considered, each application must be endorsed and signed by the student's Principal. This will include a confirmation of enrolment status, attendance and endorsement for each applicant
- To be eligible to apply, the applicant must be able to demonstrate financial need by providing evidence
- In its inaugural year, the fund will support 25 Scholarships of \$500 each.

Assessment of applications and the allocation of funds are to be spread across the year so students from all 17 sports have fair access to assistance.

If you would like to apply please contact the school for the application form.

Sunscreen

We are a SunSmart school. We are happy to give children reminders to wear sunscreen if they bring their own along in their bag. If your child brings sunscreen please let the teacher know.

Birthday Food

With current Covid restrictions we are unable to share food at school. This includes birthday cakes, lolly bags etc. We request families don't send in food to celebrate birthdays. We appreciate this is a change for families but hope you can understand the reasoning behind it. We want to keep everyone as safe as possible. Teachers are celebrating with students and making their day special in other ways.

CROSS COUNTRY CARNIVAL

We will be holding our school cross country carnival on Friday 8 April, which is the last day of school this term.

A permission note will not be going home for this event, as it will be held in the vicinity of the school. All children are encouraged to participate to the best of their ability, however if your child is unable to participate in this event please inform your child's class teacher. Children are encouraged to wear house colours this day.

At this point it is our understanding that the Belconnen Regional carnival will go ahead, so if you believe your child would like to be selected to represent Macquarie Primary at this event please encourage them to train.

Unfortunately, we are unable to invite parents to watch their child run this year. Expect lots of Dojo posts to see the excitement.
