Dear Families

The Macquarie Primary School Board invites families to make a financial contribution to the school by way of voluntary contributions and/or a tax-deductible donation to the Library Trust Fund. More details about voluntary contributions and the Library Trust Fund can be found in the fact sheets recently circulated in the school newsletter and published on the school website. Hard copies of the fact sheets are also available at the school office.

We're pleased to let you know that last year, we received \$5,395 in voluntary contributions. With this money the school was able to enhance the indoor learning environments. We also received \$2,445 in donations to the Library Trust Fund. These funds will be used in 2022 to go towards the cost of improving the layout of the library space to create a space that is engaging and flexible for students, their families and the broader community.

Voluntary contributions

Voluntary contributions are a valuable way that families can enhance the education program of the school. The money raised from voluntary contributions during 2022 will continue to be used to enhance indoor facilities and classroom resources.

The Board has considered the amount for 2022 and have agreed on voluntary contributions based on the number of children attending per family. Lesser or greater amounts are always welcome.

Number of children attending Macquarie Primary	Voluntary contribution amount per family
One child	\$70
Two children	\$120
Three or more children	\$150

Library Trust Fund - tax-deductible donation

All contributions to the Library Trust Fund are tax-deductible and are carefully monitored by the Australian Taxation Office with funds exclusively used for improvements to the Macquarie Primary School library resources and environment.

All donations to the Library Trust Fund over \$2 are tax deductible and donations of any amount are gratefully received.

All contributions are completely voluntary, and your child will not be refused benefits or services if you choose not to make a financial contribution. Individual records of contributions are confidential, as specified in the *Education Act 2004*.

If you would like to make a financial contribution to the school, please see over for methods of payment. If you are interested in other ways you can contribute to the school, please see the Fact Sheets available at the front office or on the school website or speak to your class teacher or the front office team.

Sander de Vries
