Macquarie Primary School Readathon 2021

Why participate?

This year, the P&C are having a Readathon to raise money for Macquarie Primary School. The funds raised will go towards improvements of school grounds or events for students.

When?

The Readathon will be run from the 1st to the 22nd of August, 2021.

How?

The aim of the Readathon is to read as many books as you can. This includes books that you read on your own, are read to you (by someone else) or you listen to.

You can ask your family and friends to sponsor you for either:

- each book you read, or
- for a set amount.

To give your sponsors an idea of how many books you might read, we ask you to set yourself a goal for the books you will read, and try to read as many good fit books as you can. Write your goals below before you start reading:

Book type	My goal
Fiction books	
Non-fiction books	
Picture books	
Small chapter books	
Large picture books	

Yes, there are prizes!

There will be a book voucher for the person from each year who has read the most books, as well as a special prize for the person who has read the most books in the entire school.

How to collect from your sponsors

After the Readathon has finished, you should collect the money from your sponsors and either get your parents to submit the money through *flexischools* or bring it to the front office. You should also submit your completed booklists to the front office by the 26th of August. Once the booklists have been counted, the winners of the prizes will be awarded at the bookweek parade on the 27th of August, and announced in the newsletter.
