

# The Macquarie Memo

Issue 12: 28 May 2020

## From our Principal

Dear Families and Friends

It has been so lovely to have an increasing number of students at school this week. We have realised how quiet school has been without the children. We are all adjusting to the new way of coming to and from school and we really appreciate the families who are waiting for their children outside the fences. It has been terrific to see our Kindergarten children manage these transitions independently and confidently. Thanks to everyone who has supported their children to return all their school required equipment such as workbooks, stationery items, chromebooks and library books.

We are maintaining high levels of hand and respiratory hygiene at school, with students being prompted to wash their hands frequently during the day. Each classroom also has ready access to hand sanitiser when required. If your child's skin is impacted by this feel free to provide hand cream (like sorbolene) as a protective barrier after they have washed their hands.

Last week the first meeting of the 2020 School Board was held. We welcomed our new community members, David Momcilovic and Christie Horsfield and a new staff member Jodie Rowell. Amy McGuire was elected as the new Board Chair. Next week in the newsletter each member will provide a profile for your information.

Reconciliation Week has commenced and students are inquiring into this year's theme, in this together, which has become even more significant given the world events that have unfolded since the theme's announcement last year. You might like to get involved yourselves, and here you can find 20 ways to be #InThisTogether in 2020 <https://nsw.reconciliation.org.au/2020/05/19/20-ways-to-be-in-this-together-in-2020/>.

Today is Public Education Day – it made me wonder about education in the ACT, so I did a little research. It seems that the first school in Canberra operated at Ginninderra from 1844 to 1848. A second school opened in the 1840s at St John the Baptist Church in Duntroon, and it was the only school in Canberra until the opening of a state school in Acton in 1880. It's amazing that from those humble beginnings, now in Canberra we have 87 public schools that educate more than 46, 500 students. The Canberra public schools provide education for children from preschool to year 12 across a variety of settings catering for a diverse range of needs and abilities. I am proud to be a product of public education, and a professional educator for over 20 years within the public system.

If you would like to provide some feedback about anything you valued during the remote learning period you can send me an email on [danielle.porter@ed.act.edu.au](mailto:danielle.porter@ed.act.edu.au). At the P&C Meeting on Monday night I asked the in-person attendees if they would like to share their feedback, but with limits on the number of people attending I would like to ask more broadly.

You may not be aware that in response to the COVID-19 outbreak, the Australian Communications Consumer Action Network has been working with NBN Co, the company that oversees much of Australia's internet network, to make sure children learning from home have access to the internet services they need. NBN Co is temporarily waiving the connection fee that phone and internet providers have to pay to connect customers to the internet. This means that until the end of September 2020, a number of phone and internet companies will be providing **free or heavily discounted home broadband to eligible low-income households who haven't already connected to the NBN**. More info is available at [ACCAN's website](#) and the [NBN Co's FAQs](#).

Have a great week,

Danielle

## Change to Primary Schools Central Placement Panel date for small group programs (LSU, LSU-A, LSC) and specialist school placement

The 2020 school year has started unlike any other, and this has caused significant disruption to usual routines for students, families, and schools. As we welcome students back into our schools, planning is underway to minimise long term impacts of these unprecedented times on our students and their ongoing schooling. In line with this, the date for Primary Schools Central Placement Panel (where small group program placements for LSU, LSU-A, LSC and Specialist Schools are determined) has been changed, with applications now due in Week 6, Term 3 and letters of offer sent to parents in time for schools and parents to develop a transition plan together in Term 4.

The Secondary Central Placement Panel will proceed as anticipated with outcome letters for Year 6 student applications for high school placements in 2021, sent to parents early in Term 3.

If you would like to access more information regarding the Disability Education Central Placement Panel and process, please see the [Students with Disability](#) webpage on the Education Directorate website or speak to school staff. If you need further information, you can email your query to [DisabilityEducation@act.gov.au](mailto:DisabilityEducation@act.gov.au).

## NEWS FROM THE P&C

*Did you know ... the City Montessori School in Lucknow, India, is the largest school in the world with more than 32,000 students?*

### From the President

Dear Community,

The P&C welcomes back the staff and students after the enforced COVID-19 hiatus. A special thanks to all the teachers and staff who supported the children with online learning and video conferencing while face-to-face classes were not possible. I was impressed by how quickly the school staff adapted to this new environment.

The P&C is excited to announce lunch orders will soon be back up and running. Breakfast Club will commence on Friday 5 June.

I'm sure you join me in hoping that conditions will be right for a phased return to normal life and in-person school events soon. In the meantime, we're planning other events and will announce details soon.

Best wishes to all.

Brendan Ding

President

### Next P&C meeting

### Uniform Shop

The uniform shop is not currently open for walk-in customers.

Families can purchase new uniforms online via [flexischools.com.au](http://flexischools.com.au) or by placing cash and an order form (available at the front office) in the P&C mailbox at the office. Items will be sent home with students.

Second-hand items are available for purchase in the front office for \$2 or \$5.

For any enquiries please contact the uniform shop coordinator [uniforms.mps@gmail.com](mailto:uniforms.mps@gmail.com)

### Class Representatives

During Term 2, the P&C are enthusiastic to get our Class Representatives Program up and running. There are classes that still need a representative. Please consider volunteering if you have children in:

*Rainbow Gums, Waratahs, Royal Bluebells, Desert Roses, Grevillea, Chocolate Lilies and Winter Cress.*

It will not be much work and will help build a sense of community at Macquarie.

## CARBON DIET

### Act on climate change - cut carbon now

Set your thermostat 3 degrees lower in winter, especially if you have gas heating. Put on a jumper or snuggle under a rug.

Remember, fifty years ago no one had central heating!

These tips have been sourced from Jo Clay's website The Carbon Diet. Jo is a member of our school community who has been running this ACT Government sponsored project on cutting carbon for the past two years.
